

### About Ground Transportation Regulations and Rates

Ground transportation at the airport is not regulated by the State of Arizona. Ground transportation operators are, however, required to meet certain standards of operation and service pursuant to Tucson Airport Authority rules and regulations. Although rates are not controlled by TAA, taxicab fares are established through a proposal process and operators are obligated to honor published rates.

### Customer Shuttles

Some hotels provide complimentary transportation to/from the airport for their guests. The Hotel Reservation Boards in baggage claim have direct phone service to some hotels.

### Luxury Car Service

Executive sedan service is available to meet all arriving flights at TIA. Luxury Lincoln Town Cars are provided. Staff is located in baggage claim inside the terminal in the center. Service to outlying communities in Arizona is available with advance reservations. There is no extra charge for baggage or more than one person going to the same location.

### Services for Disabled

Most ground transportation providers at TIA are able to accommodate passengers with disabilities. Please call specific companies ahead of time to make reservations for special needs.

### Shared Ride Van Service

Arizona Stagecoach operates shared-ride van service after each arriving flight. Service includes transportation to hotels, resorts, business or residence locations. Hotel/resort rates range from \$5 to \$48 per person. Rates to residences and businesses range from \$17 to \$61 per person. Second and additional family, group and round trip discounts are available.
